For the April and May meetings SWH hosts a group of panelists from stage and film. The April Stage Panel was very successful and we look forward to the May Film Panel.

- Alfred Cervantes, Houston Film Commission. Alfred specializes in helping filmmakers find locations for their productions in and around Houston.
- Charleston Phillips, Art Institute of Houston. Charleston teaches in the media department of All, specializing in audio production. He will also talk about outlets which screenwriters may overlook, such as video games.
- Randee Ramsey, Southwest Alternate Media Project (SWAMP). Randee, who also teaches screenwriting at All, will talk about developing a film, from forming the idea to crafting a pitch deck.

Upcoming Events

June 21 Our special guest lecturer will be **John Pielmeier**, the award-winning writer who adapted *The Pillars of the Earth* from novel to screen. In addition, his play, *Hook's Tale*, is being performed at Stages Theatre.
